

# Services

The Lake Hamilton Police Department offers a number of services to the citizens of Lake Hamilton for your safety and convenience:

Homeowners can download their Alarm registration form, learn what the city ordinance says about false alarm fines, and learn how to update their emergency contact information in the Alarm Registration section.

Is there an area of town or an intersection that you think needs more enforcement? Are you seeing traffic conditions that you think are unsafe and would like a traffic officer to come check it out? Request additional traffic enforcement in the Traffic section.

Heading out of town for a few days? Let our Police Officers keep an eye on your house and give you greater peace of mind. Request a Special Patrol.

Fingerprints can be taken at the Police Department for \$5.00.

Vin Checks can be completed at the Police Department for \$5.00
